HOMECOMING

HOMECOMING

October 8-12 was Parker's High School Homecoming. Monday started out with Freshman initiation and all the students portrayed their favorite entertainers.

Tuesday the guys went all out and got many a stare on switch/transvestite day. The girls didn't do too bad of a job either!

Wednesday the halls rang with nasal voices and whining on Nerd Day.

Thursday, Hawaiian Day, excited whispers circulated through the school about who would be crowned King and Queen. As evening fell, whispers became reality. Dan Gates and Jan Viet were crowned the 1984 PHS King and Queen. After coronation everyone gathered at the football field for the burning of the "V".

Friday, everyone was turnin' it on with blue-and-white day. As expected, Parker's spirit shone at the "Big Game" that night.

Thanks to the students at PHS, Homecoming was a great success.

SWEETHEART DANCE

The Irish Ball was held March 16, 1985 in the old gym at Parker High School. This dance was sponsored by the FHA and FFA.

Mobile Music provided the entertainment and kept everyone dancing. Throughout parts of the dance, t-shirts were offered to some people who strutted their stuff extremely well.

At the door, everyone was given ballots to choose Sweetheart and Marshall. Towards eleven o'clock, Michelle Novak and Russell Buseman were crowned Sweetheart and Marshall respectively.

As the night progressed, more and more people got the Irish Fever and danced all they could. And at twelve o'clock, when the dance ended, everyone went to Godfather's to rest their feet and eat pizza.

Marshall Russell Buseman and Sweeheart Michelle Novak take a stroll on the dance floor.

Candidates: R. Leber, R. Buseman, L. Sturzenbecker, S. Andal, L. Dykshorn, P. Stapleton C. Kasten, J. Sherard, M. Novak

J. Nelson, J. Joffer, and friends get down to the beat.

All-School Play

This year "Lady Dracula" took the stage. After many early morning practices, the all-school play was presented April 12, 1985. The cast was full of many talented people and it showed. Earlier in the day the play was performed for the grade school who thoroughly enjoyed it. On opening night the elementary gym was packed. Throughout the play, one could hear outbursts of laughter the audience produced. Who could forget Dr. Van Helsing's struggle with Lady Dracula?

Under Miss Haisch's direction everything went fine. This year's cast included: Kim - Stacy Leininger, Opal - Amy Chicoine, Robert - Tim Miller, Sonny - Jason Chester, Mrs. Sink - Lisa Whelaen, Luisa - Michelle Almond, Ernie - Vince Preheim, Mona - Michelle Headlee, Marcus - Scott Andal, Tod - Evan Friese, Camille Stanford - Tricia Duncan, Lady Dracula - Julie Haase, Duffy - Dan Gates, Wallace - Mark Salter, Dr. Laurence Finley - Jim Viet, Dr. Van Helsing - Karen Ebeling, Students - Heather Haase and Jeremy Schmidt. Next year's cast will be turnin' on another great play.

Cast: Front Row - Dan Gates, Mark Salter, Vincent Preheim, Jim Viet, Evan Friese, Scott Andal, Tim Miller, Jeremy Schmidt, Jason Chester, Back Row - Heather Haase, Stacy Leininger, Lisa Whealen, Michelle Almond, Karen Ebeling, Julie Haase, Tricia Duncan, Amy Chicoine. Michelle Headlee

JUNIOR SENIOR PROM

JUNIOR SENIOR PROM

The 1985 Jr.-Sr. Prom received a lot of attention this year. The reason was that there were a few revisions made. For instance, the Jr.-Sr. Banquet was held at the Parkerhouse Steakhouse; a Grand March was held, and instead of a live band the juniors introduced a new sound — Kanaranzi.

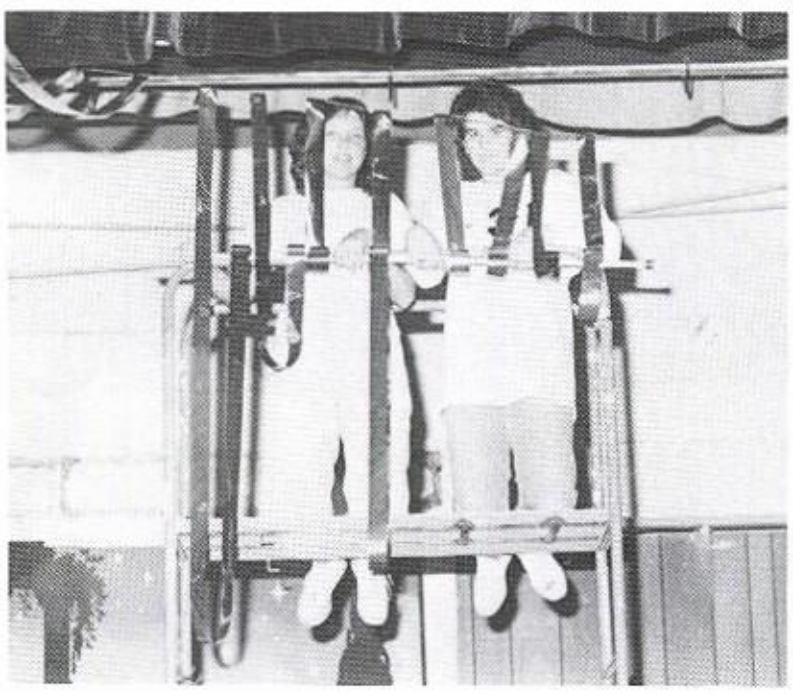
A lot of work was put into prom. Decorating was started the Monday before prom and finished on Friday. All the juniors pitched in putting up streamers and all the other decorations.

The theme of the 1985 Jr.-Sr. Prom was "Roman holiday". The colors were metallic red and gold. Streamers decorated the gym, and a special touch was added by putting up Roman columns and pillars.

On April 27, 1985, all the juniors, seniors, and their dates had a very special night at the prom, and afterwards everyone headed over to Sioux Falls for bowling and breakfast.

L. Whealen and E. Friese read the class history.

M. Roth and A. Chicoine roll out the streamers.



Hey girls, what ya' doin' up there?

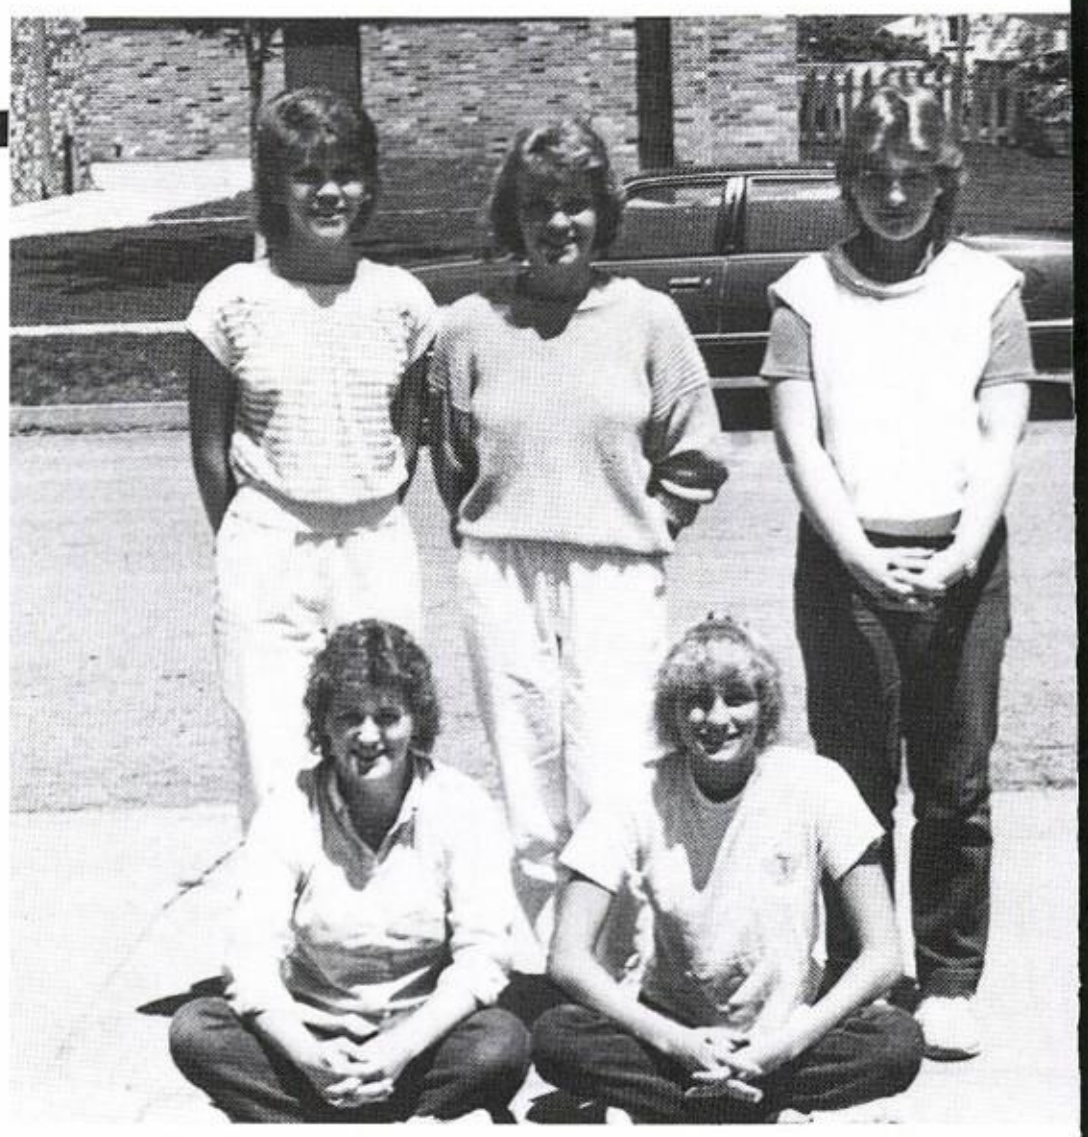
BAND

BAND

The Parker High School was turnin' it on again this year. The tantalizing tunes of the band could be heard in the ever popular homecoming parade. The tunes were also heard at Viborg's homecoming parade. Madison was also honored by the band's presence. The band performed their annual Christmas and Spring concerts. This year Lynn Lukes was the recipient of the John Philip Sousa award. To raise money the band sold soft soap and tins of cocoa. Next year the band will be turnin' on to bigger and better things.



L. Ketcham, L. Whealen, and K. Ebeling received a superior rati on their clarinet trio. M. Headlee and D. Johns received superior ratin on their instrumental solos.

CHORUS

The chorus was really turnin' it on this year! Everyone came home with a superior rating from the contest in February. (Three solos, a duet, the mixed ensemble, and the girls ensemble) The chorus, along with the band, sold soft soap and tins of cocoa. It was a lot of work, but everyone looks forward to the trip it will provide. The National School Choral Award was started this year. Michelle Headlee received this award. She was also chosen to attend the South Dakota All-State Honors Choir.

ANNUAL STAFF

This past year was a very good year for Annual Staff. The size of the group tripled. We had many new faces so some went to a seminar at Sioux Falls College. At the seminar, we learned how to set up pages, the best way to take pictures, and how to produce the best annual possible.

To meet our first deadline, we came in on a Saturday morning and worked until we finished. Our second deadline was a bit harder to meet. In order to get the forty-six pages that were due, we came in during parent-teacher conferences and worked all day.

When the annual was finished, we kicked back and rested easy.

Top to Bottom: S. Andal, Mr. Hansen, L. Heldenbrand, L. Buskohl, T. Dunham, D. Zebell, M. Smith, D. Weeldreyer, M. Almond, D. Janzen, A. Nelson, H. Haase, T. Leininger, L. Marsh, M. Headlee, M. Poss

PAPER STAFF

Paper Staff had an enjoyable year. Under the direction of Mrs. Flyger and editor: Michelle Novak, things went smoothly. This year more articles dealing with students were put into the paper. To raise money the paper staff worked concessions at a few ball games. The staff did an excellent job of getting things done.

Editor: Michelle Novak helps Denise Story with an article for the paper.

FHA

This year marked the 40th birthday for FHA, and the Parker Chapter helped in celebrating it. National Family Week was in November. Various FHA members gave presentations on families to the elementary classes. FHA got into the spirit of Christmas by doing a variety of different things for Secret Angel Week. FHA Week was celebrated January 10-16. During this week, FHA members attended a SADD meeting, appreciated teachers, decorated lockers and had fun. The Soup Supper was held as FHA's annual fund raiser. Various FHA members attended the Regional FHA meeting to present AAE's. Those that received superior ratings advanced to the State meeting.

FFA

The Parker FFA Chapter continues to grow. This year we went from 18 vo-ag students to 25 vo-ag students. Summer brought FFA camps, judging, softball tournaments, county fair, hamburger fry at Mr. Fiegen's house and summer visits.

When the school year started, first up was landjudging. Buddy Lukes, Gene Even, and Gene Schaefer earned a trip to the National Land judging contest by placing in the top eight in the state and taking second overall.

Then the leadership contests and the National FFA convention in Kansas City, Ms. attended by Pat Stapleton and Scott Andal. Kurt Mielke and Jason Chester were our creed speakers this year. Then came FFA week. We had a weekful of events. Sunday, bowling in Sioux Falls; Monday, rabbit feed at Mr. Fiegen's house; Tuesday, dress up day; Wednesday, farm day in the shop; Thursday, pancake breakfast in the shop; Friday, we took the parents to Sioux Falls for dinner and toured G.T.A.

The annual fruit sales were a success with Mike Johnson selling the most with over $900.00

In the spring came more judging. Morrells' Little "I" and the State Convention were the events. At the convention, Pat Stapleton was named state farmer and three students were given awards for their achievements.

The chapter banquet was held in the basement of the Catholic Church and the year ended with a trip to the National land judging contest in Oklahoma City, Oklahoma.

ORAL INTERP

Oral Interpretation was very strong this year. In fact, sixteen people competed under the direction of Mrs. Hoover. These people competed in the areas of dramatic prose, humorous prose, oratory, poetry, and interpretation of drama.

Five people; Michelle Almond, Tricia Duncan, Kim Schnabel, Rita Husman, and Mark Salter competed in district competition. From that group, Michelle Almond advanced to regional competition.

Regional competition was held at Augustana College. There Michelle competed against people from schools such as S.F. O'Gorman, S.F. Lincoln, and S.F. Washington.

Michelle advanced once more. At Aberdeen, she competed in the stater competition, where she gave her poetry piece entitled "Patterns."

Michelle came away from the state competition with a superior rating and a trophy.

DRILL TEAM

DRILL TEAM

This year, under the fine leadership of Mrs. Froiland, the drill team performed at one football game, and three basketball games including a special Christmas routine to "Jingle Bell Rock". The other songs used this year were "She Bop", "Wake Me Up Before You Go-Go", and "We Got the Beat". Early morning practices were at 7:30 a.m. and also right before show time; they sure paid off when the crowd clapped after a successful performance. New members this year were: Tamra Munkvold, Diane Johns, Stacey Lawson, Carol Merritt, Jerrice Nelson, and Kammy Ostrom. Brandy Loewan was alternate. Sally Schweitzer helped Mrs. Froiland with the music and getting ready.

PEP CLUB

This year the pep club had fun as usual raising everyone's spirit for the games. Under the direction of Mrs. Irma Bossman, many a sign and poster were made. Sometimes pizza parties were held in order to get a mass of posters finished before a big game. During pep rallies, pep club would always have a skit to perform. Next year pep club will be turnin' it on to an even more peppy year.

At Regions, pep club and other fans cheered the guys on.

CHEERLEADERS

CHEERLEADERS

The 1984-85 cheerleading season was filled with hard work and determination. All five squads put a lot of effort into their cheers, routines, and stunts. They also used their talents to fill the halls with posters and provide pep rallies for the high school.

At the beginning of the year, a group of girls went to an SDSU Cheerleading Clinic. At this clinic they were shown a new routine, and some cheers and stunts. At the end of the day, they competed in a contest and came away with a Leadership Award.

In January, the varsity and junior varsity squads for boys basketball went to a State Cheerleading Contest in Huron. They performed a routine, and a number of cheers and stunts. As a reward for their dedication, they placed fourth in the State.

The Pheasants football team was "turnin' it on" with a new look this year. For the first time in Pheasant history they played nine-man football and joined the Tri-Valley Conference, where they finished 2-5 and 2-6 overall.

Darin Hay was turnin' it on with a school record of 190 yards passing in one game. Danny Gates set a new school record with an 80 yard kick-off return while tieing another record with a 32 yard field goal. Carter Krumbach gained a school record with six, two point conversions.

Those who made all-conference team were Darin Hay and Danny Gates while Evan Friese received an honorable mention.

VOLLEYBALL

This year the Lady Pheasants showed their opponents what they were made of. A winning season of 9-8 proved that. The credit goes to the excellent coaching of Jill Christensen and Dave Versteeg. More than anything, the girls' hard work and effort made a difference. The over-all setter was senior Le Ann Sturzenbecher with 416 sets out of 455 for the year. The other two seniors were Lisa Dyshorn and Regina Leber who also did well in spiking and digs. After school one could always see Lisa Luke and Lisa Marsh running around washing uniforms and totalling stats. "Relax" by Frankie goes to Hollywood was played before almost every match to help the girls get ready for action. This year the team came one point away from the State Tournament. Unfortunately, the mighty Lady Pheasants couldn't score that extra point; so in the end they became runner up in the Regions after a grueling match with Gregory. Next year the team will be turnin' it on to victory at the State Tournament.

TRACK

RUNNIN' IT ON

ANOTHER TRACK SEASON

It was not just another track season for the Pheasants. It was a successful year ending it by sending four tracksters to the State meet. The season throughout was good by breaking records at the very first meet. The record breaking didn't stop there though. All season records kept falling and when it was all over, they had broken eight records, the girls set two and the guys set six.

The girls broke two records this season. Suzann Bovee broke the high jump record by jumping 4'9". Delle Zebell set a record in the 3200 m run by running 13:17.00 and her record goes up as the first 3200 m runner in Parker as this was the first year the event was run.

Jim Viet had a part in four records this season. Jim broke the 110 m and 300 m hurdles with times of 14.7 and 40.0 respectively. He also participated in two relays. Jim carried home two State champ medals, 1st in the 100 hurdles and placing in the top 3 in the 300 hurdles.

Scott Mohr set the high jump record going 6'2". Scott Andal vaulted 12'3" to capture the pole vault record.

Two relays broke records, they were the 400 m relay and 1600 m relay. Both relays consisted of Todd Leininger, Mike Joffer, Scott Mohr, and Jim Viet

If you measure the success of the team the way Coach Hagg does, which is by how many records broken and how many kids were sent to the State meet, it was a great season!

SEVENTH GRADE

As the seventh graders enter Junior High, their first thoughts were probably of all the advantages they would now have. For instance, they have the same bells and lunch periods as the high school, and most importantly they were now able to participate in extra-curricular activities such as sports and cheerleading. And of course, don't forget the dances. Well, we welcome you seventh graders to the upper echelon of education.

Teachers

I don't know about any other school, but Parker has got great teachers. Each teacher has their own individual personality and teaching style; but that's ordinary. The big difference in our school is that our teachers are also our friends. They work with us carefully and take a special interest in how we are doing. They also help us to develop ourselves and reach our potentials. I hope these educators realize that they are shaping the next generation, and they are doing a great job!

DRIVERS COOKS JANITORS

No matter what type of weather or time of day, you will see our busdrivers turnin' it on with their safe driving. Together Virgil Bosch, Don Smith, Ken Boelter, Larry Bossman, and Edsel Petersen bring our students carefully to and from school everyday.

If you are walking down the halls and hear a stomach growl, you can't blame it on our five ladies, Loretta Nelson, Ruth Christensen, Martha Johns, Ethel Hostbjor or Leora Marsh because they are turnin' it on everyday with balanced and nutritious meals.

Being a nearly impossible job, our janitors are turnin' it on with a super job of keeping our halls and rooms neat each day. Our Janitors are greatly appreciated, Woody Kasten, Merle Shea, Bob Bovill, Pauline Becker, and Kerry Sanner, not pictured.

THANK YOU

The Annual Staff would like to give special thanks to merchants in the Parker area who showed their patronage by placing an ad in the Annual. The cost of one book out of an edition of 125 was approximately $25 per copy but was sold to the students for $16 per copy.

Without the support of you, our book would probably have been too expensive for the students to buy. The difference is made up by ads and extra promotion by the Annual Staff.

Thank you,
Mr. Hansen

Michele,

I hope that your Sophmore year turns out as well as you expect. Or as a Junior it "reeks" homework... This Summer was great, fantastic, terrific, etc. I hope that your high school years are full of fun and excitement (I know they will as long as Jim here). Our friendship means quite alot, but as a <u>immature</u> Sophmore you don't realize that yet. (ha.ha!!) For all the times in the future all the best.
